## *Message from the Mayor.....*

There is a survey being sent out pertaining to the Town of Hamilton's updated Comprehensive Plan. I ask that you all please fill it out and return it to Town Hall. This helps us with future planning with the Town.

*As many of you have seen the campaign signs around Town, two positions will be open on the Council at the end of the year. Alyssa Ammons is running unopposed for Seat #5. Jessica Boots and Keith Buckley are both running for position #4. Please remember to vote.*
