Community Action will be at
Town
Hall every month. Anyone
needing any help please come talk
to Chandra. She has lots of good
resources to help people.

Please look at Town Hall's
bulletin board for weekly news in
Town.

Post office update.... After many
phone calls and emails, I think we
are much closer to getting our post
office back. The Town has offered
a room in Town Hall for a safe
secure place for our post boxes.

The Townhall and Hamilton's Fire Dept are putting on a haunted house at Town Hall October 29th from 6:00PM to 9:00PM. Hot dogs, chips, drinks, a cotton candy machine and of course candy for \$5.00. ALL PROCEEDS GO TO THE Fire Dept childrens Fund. Kids of all ages welcome.

Message from the Mayor

Flood season is coming upon us very soon. Novemebr 1st to April 1st, there is a potential for flooding. We are working hard to get the Dike completed before this time. I ask that all residents clean up debris from yards and makes sure all RV's are ready to be moved quickly upon request.

FEMA Update...FEMA has obligated funds for street repairs and hydrant repairs due to flooding last year. The plan is to start repairs next spring. FEMA is working with us to get the Dike completed to the Army Corps of Enginneers requirements. Other projects with FEMA are being worked on as well to finish up last years flood damages.

Please remember to drive slow in Town. With the nice weather kids are playing and riding their bikes outside.

**Well Update
News**

SI Adams & Chris McNaulty

Last month the Well pump was replaced including all new pipe. The Well is running great with no issues. Water samples continue to come in good.

The Town has also started the process of updating the Water System Plan.
